A Look Back to August

Painting the Kids Ministry Room

For his Eagle Scout project, Eli Clester painted the kids room. The transformation has been amazing. Thank you to everyone who helped, including the rest of the Clesters and the Kelleys! We are incredibly blessed!

The next step is to replace the flooring which will cost us about \$3,500 to complete. However, thanks to your generosity, we've already raised about \$2,000! Thank you!

The First Renewed Youth Night

Our Renewed Youth Night was an absolute blast! The teens played some fun games and worship was awesome! Thank you to everyone who made this night possible, including our amazing worship team led by Amelia Neff, and our guest speaker, Caleb Longabough.

Celebrating 50 Years of Celebrate Family Church

In August, we celebrated the 50th anniversary of Celebrate Family Church! It was a tremendous blessing to celebrate with both our church family and the community. There were plenty of fun activities for the kids such as bounce houses, pony rides, a dunk tank, and a petting zoo. We look forward to many more years of sharing the love of Jesus with our community!
